

# COMING SOON TO AN MBTA TRAIN NEAR YOU.

This paid ad campaign appeared last year on the subway in New York and San Francisco. Boston is next. The version above is stalled in court but a slightly modified version could be posted any time in the next few months.

Boston Workmen's Circle is getting ready to speak out.

Once the ads appear we will need to respond quickly. Help us show that Jews in Boston oppose all efforts to marginalize our Muslim neighbors.

Are you ready to be there?
